

Cedar Valley Hospice

25 Years of Making Each Moment Matter

December 8, 2005

Waterloo Jaycees
P.O. Box 245
Waterloo, IA 50704

Dear Waterloo Jaycees,

Cedar Valley Hospice extends its sincere thanks on behalf of *The Eucalyptus Tree*, a children's grief program of Cedar Valley Hospice, for your help in directing Blain's generous donation to our program. With your help, we are able to provide comfort, support and education to area young people who are experiencing the death or impending death of a loved one.

The toys that we were able to purchase for our program will provide hours of entertainment and fun for those children spending time with their families at the Hospice Home. Our children's grief groups will benefit from the craft items and games that we purchased. The play room that is used for play therapy has several nice new additions as well.

Enclosed you will find a photograph of our mascot, Quincy Koala, helping to unpack and distribute these new items. Thank you again for all of your support in our efforts to support grieving children.

Sincerely,

Stacy Baranowski
