

Gift of Giving is the Cedar Valley Jaycee's largest youth-based event. Approximately 100 children from across the Cedar Valley participate each year in this event. It is designed to show them the true "gift of giving," by allowing them to purchase \$40.00 worth of holiday presents for their family at Blain's Farm and Fleet. There is no cost for the participating children or their families.

Gift of Giving 2016

Saturday, Dec. 3rd from 6:00 – 9:00 AM
United Auto Workers (UAW) Hall Local 838
2615 Washington Street, Waterloo

Each participating child will be paired with a community volunteer to assist them with their shopping. Together, they will ride buses to Blain's Farm and Fleet to purchase their gifts. All participants will be transported back to the UAW for breakfast, gift wrapping, and pick-up after they finish shopping.

Volunteers Needed!

We are currently recruiting 100 volunteers to be paired with a child on Dec. 3rd. These individuals will help shop for gifts at Blain's Farm and Fleet using the list created by the child's parent(s). Volunteering at Gift of Giving is a simple, easy, and very rewarding way to give back this holiday season!

Click [HERE](#) to sign-up today to volunteer.

Thank you to our generous sponsors!

Gift of Giving would not be possible without your continued support.
